Eighteen oil paintings and sketches by 17-year-old **Ron Simpkins** of this city, are displayed in the Main Corridors of the Dorchester Street Y.W.C.A.

Fresh and spontaneous, young Simpkins' vigorously searching impressions of Maritime and other Canadian scenes attest to the determined emergence of considerable artistic talent inherited no doubt from his father, Ronald Simpkins, A.R.C.A. Mr. Simpkins, Sr. is a well-known Montreal artist and member of the Montreal Lakeshore Art Association.
